To everything - turn, turn, turn, there is a season - turn, turn, turn...

One thing we can be certain of in life is that things change. This has been especially true for us lately.

When the huge water oak took out our storage barn, it forced us to take a closer look at other ominous trees around the property and determine that two had to go.

The fallen tree prompted us to host a fundraiser on gofundme.com called Save us from Falling Trees. Many of you donated to our on-line website at www.gofundme.com/pioneertrees and some donated off-line for a total amount raised of \$1,285.00! This really helps us to defray the unexpected costs of having trees removed and hopefully to replace the one at the Bridge House. Thanks to all that pitched in to help out and especially the Underhill's that provided the man power and equipment to do the clean-up of the destroyed barn!

Now that the Bridge House is no longer in the shade of a beautiful (yet dying tree) you can really notice the poor shape of the roof. As we slowly get closer to our overall goal for the Bridge House Restoration the priority of a roof replacement is in the forefront. Our lowest estimate, last year was \$20,000.00. To date we have raised \$12,819.00 leaving a little more than \$7,000.00 to cover the roof portion of the restoration. You can help us out at the Jamboree when you participate in the Silent Auction, the quilt raffle or the raffle for the \$250 to spend at the DeLand Fall Festival of the Arts, as all of the proceeds from these will go into the Bridge House Fund.

We also have an on-going fundraiser called the Crappy Chair Campaign, which to date is at \$931.00—nearly the half way mark of our goal! Thanks to all of you that have donated to help us provide comfortable seating! We have several concerts and events coming up in 2016 that those chairs will be very welcome to!

Sadly we also have had a change in our Board of Directors with the passing of our good friend and long-time supporter Deacon Ed Rinderle. Our heartfelt condolences go out to Mary and the Rinderle family as well as our appreciation for the in-memory donations made in his honor.

Thank goodness that some of the changes happening have been good ones. Have you noticed our updated logo? Mr. Barber finally got a Mrs.!

We have been blessed with the return of Joe & Connie, our work campers that were with us last year AND Lyle Behnke who worked here two years ago is coming back for the winter/spring season to help us out.

We are so grateful for the extra help since we have a tremendous line up of special events planned for 2016 as we celebrate the 40th Anniversary of the founding of the Settlement.

RECORD CROWDS at FIRE & ICE!

What a fun day we had on Saturday, September 5th, 2015. Many thanks to all of our participants, guests, volunteers, yard sale vendors, musicians, blacksmiths and antique tractor and engine displayers.

You all helped to make our annual open house event a huge success! The line was out of the door before noon with people waiting to taste and judge. There were only 6 votes between first and second place in both the chili and the ice cream. Congratulations to all!

Joseph Underhill House Update

The Joseph Underhill House circa 1879 is believed to be the oldest brick residence in Volusia County. Joseph Underhill was one of the first pioneers to settle in this area and that combined with the fact that they chose to build with brick during that time gives the house a very unique and significant historical value.

In March of 2014 we began working with Volusia County to obtain funding to stabilize the house. On July 17, 2014 the Volusia County Council approved the allocation ECHO grant funds to cover the costs for replacement of the severed support beam, a new roof, second floor access, selective demolition of the addition, stabilization of the front and back porch support columns, and associated fees.

During the last year we have worked closely with Jerry Mills of BHM Architects to secure the necessary drawings, permits and to contract with a General Contractor that would meet all of the requirements set by Volusia County and the Grant, in order to proceed with construction.

If all goes as planned construction is scheduled to begin on November 9th, 2015, by A. G. Pifer Construction Company from Daytona Beach. The process took much longer than we had hoped but we are looking forward to having this valuable piece of history eventually restored. It adds another dynamic to the make-up of the settlement, makes a great addition to our educational programs and also will be a perfect venue for weddings and other celebrations.

In loving memory of our friend, long time supporter and past Board President, Deacon Edward Earl Rinderle.

The other day we found a quote written by Ed about the Settlement.

On January 12, 2002 Ed wrote, *“Wonderful roots, special memories, touching the past, helping appreciate the present, upon which to build the future.”*

Thanks Mr. Ed for touching our past, present and future. We miss you.

You'll definitely want at least one of our Barberville Folk 2016 Calendars to keep up with all that is happening. The Anniversary celebrations begin on January 9th with our first—Dance Party and then in March with Brian Smalley's Chickens Pigs. We are going to be open on Sundays, 11am – 3pm beginning November 15th through the middle of March. Spread the word to your visiting friends and family. Our field trip schedule is about filled now through the Holidays and we are looking forward to a super Fall Country Jamboree in a couple of weeks. Joe & Katie Waller have done a bang up job scheduling over 75 performances on seven stages throughout the weekend. PLUS while you are here be on the lookout for the Happy Rocks hidden all over the grounds. You'll know it if you are lucky enough to find one!

A time to cast away stones, a time to gather stones together, and a time for every purpose under heaven.

"To Everything There Is a Season" became an international hit in late 1965 when it was covered by the American folk rock band The Byrds. This song holds distinction as the #1 hit with the oldest lyrics since most of it is adapted word-for-word from Ecclesiastes, Chapter 3.
